Part 2 Operation and Investment

Part 2 Operation and Investment

2. General

2.1 You must provide us with any information we may require to enable us to carry on our duties. In particular you need to tell us of any change of address.

2.2 We do not provide advice about our products or allowable investments. You must seek suitable independent financial advice.

2.3 There may be circumstances which require us to review these Terms and

Conditions and the charges being made. In this event we will write to you advising you of any amendments to these Terms and Conditions at least one month prior to the change taking effect.

2.4 Any instructions received from you or your representatives must be in a form acceptable to us and must bear your authority for the instructions to be valid.

2.5 Value added tax will be levied on all appropriate expenses and charges at the prevailing rate.

2.6 You authorise us to provide HMRC with all relevant information about your Avalon Freedom SIPP and its investments.

2.7 We reserve the right to sell investments if there is insufficient cash to meet the amount of any ongoing costs or charges.

2.8 Whilst we will always make every effort to meet the service standards detailed in the Terms and Conditions, Avalon cannot be held responsible for third party delays (such as the processing of sale and purchase transactions for the units/shares by fund management companies) that fall outside of our control.

2.9 As a Retail Client you will benefit from the greatest level of protection available under the regulatory system.

2.10 Subject to certain qualifying criteria you have the right to amend your categorisation but this will affect the level of statutory protection afforded by Avalon. If you do elect to change category, Avalon has the right to decline to provide the service on that basis.

3. Starting your Freedom SIPP

3.1 Your Freedom SIPP will be set up when we receive a correctly completed application or when all of our requirements have been met if this is later. We reserve the right to refuse your application.

3.2 We will send you an acknowledgement letter within 2 working days of receipt of your Freedom SIPP application.

3.3 If you have been given advice by a financial adviser prior to submitting your application, you will be given the option of:

3.3.1 receiving cancellation rights for each tranche of new money received into the Account. In this event, any new funds received will not be invested for a minimum period of 30 days following receipt.

3.3.2 waiving your rights to cancellation in which case you will not receive a 'Right to Change Your Mind' and investment of contributions received will occur within 5 working days of receipt.

3.4 If you decide to cancel your Account, we will return your contributions to you once they have cleared.

In the event of transfer amounts received from existing pension providers, Avalon will initially attempt to return the transfer funds to those providers. If the ceding company is unwilling to accept the return of funds from Avalon, Avalon will retain the funds until such time as a replacement provider has been notified to Avalon by the client or his representatives.

4. Cash

4.1 Account money will be held by us as trustee in a pooled account with one or more banks. In the event of a bank's failure, your claim will be for a share of the cash held in all pooled accounts at the bank.

4.2 Interest will be paid on net cash held in your SIPP at the prevailing business rates of the relevant banks holding the cash. Any interest shall be paid after deduction of tax subject to the relevant tax legislation and regulations at the time.

4.3 Where the rate of interest earned by your Freedom SIPP account is less than the amount of interest being paid by the Bank to us across all the accounts we have with them we will keep the difference.

4.4 Accounts may only be overdrawn in accordance with these terms. If an Account becomes overdrawn Avalon will charge interest at a rate of 6% over the prevailing Bank of England base rate until the overdraft is cleared.

4.5 If you tell us that you wish to invest in term deposits or money market accounts with a bank or building society, we will at our discretion, endeavour to establish such an account or accounts. We will not enter into a term deposit unless the bank or building society will agree that we may withdraw the deposit during the term. Any penalty charged by the relevant bank or building society as a result of the early withdrawal of a deposit will be payable from your SIPP.

5. Contributions and transfers in

5.1 If you are eligible, you and/or your employer may make contributions at any time.

5.2 These may be single contributions or regular contributions. Subject to the Terms and Conditions, and any conditions from time to time imposed by us (whether that is a minimum amount for any contribution or otherwise), you may decide the amount and timing of any contribution.

5.3 Subject to our agreement on each occasion and any HMRC requirements, a contribution may be paid by a transfer to us of assets. The terms of any such transfer, including the payment of costs, will be as agreed between you and us.

5.4 Under current law, your own personal contributions will normally be treated as being paid net of basic rate tax, which we will reclaim from HMRC if and to the extent you are entitled to tax relief on that contribution. You are responsible for informing us if you are not entitled to tax relief on the whole or part of a contribution. Any sum reclaimed will not be available for investment until it is received from HMRC which will normally take between 6 and 10 weeks from the date of your contribution. You are responsible for obtaining any higher rate tax relief to which you are entitled.

5.5 It is your responsibility to monitor your contribution limits. If you become subject to a reduced Annual Allowance (known as the Money Purchase Annual Allowance Rules) as a result of flexibly accessing your pension benefits after 6th April 2015, then you are obliged to inform us of this immediately and provide the date this occurred.

5.6 If you have made contributions in excess of the amount on which you are entitled to tax relief, we may agree to repayment of the excess contributions to you, provided that sufficient funds are available in your Freedom SIPP and any amounts due to be repaid to HMRC have been repaid. If you have taken benefits or transferred out you agree to indemnify and keep us indemnified in respect of any tax due to HMRC as a result of the above.

5.7 The pension input period is the period in which contributions made to all your registered pension schemes are tested against the annual allowance. The pension input period for your SIPP will be from 6 April to 5 April each year unless you inform us otherwise.

5.8 Other pension benefits from a registered pension scheme may also be transferred into our SIPP, subject to our consent, applicable legislation and HMRC rules. The terms of any such transfer, including the payment of costs, will be as agreed between you and us.

5.9 All contributions and transfer values we receive will be applied to your individually designated Account.

5.10 If you transfer Capped drawdown benefits to us they will be converted to a Flexi-Access Drawdown arrangement upon receipt. This will only trigger the Money Purchase Annual Allowance rules (if you are not already subject to them) the day after you first receive an income payment from this arrangement

6. Discretionary Investment Manager

6.1 If you ask us to, we may appoint a discretionary investment manager to:

- a)** open an investment dealing account to enable you to give instructions to acquire and dispose of investments for your Freedom SIPP on an execution-only basis;
- b)** advise you on how your Freedom SIPP (or any part of your SIPP) should be invested or to make investment decisions themselves on a discretionary basis in relation to your SIPP (or any part of your SIPP).

6.2 You may ask us to appoint different investment managers for different parts of your SIPP. If you do not ask us to appoint any investment manager, you may be restricted in the types of investment you can instruct us to acquire. We reserve the right not to appoint any person chosen if they do not meet our requirements.

6.3 Any appointment of an investment manager for your Freedom SIPP (or any part of your SIPP) will be on such terms as we may agree with that investment manager. We may require you to enter into the agreement with the investment manager. The investment manager will be responsible for:

- a)** setting up the requisite designated client account for us for your Freedom SIPP;
- b)** the registration and safe custody of investments in relation to which the investment manager is appointed;
- c)** accounting to us regularly for all transactions and interest in relation to the relevant investments in a form acceptable to us; and
- d)** unless you request otherwise, monitoring the performance of your Freedom SIPP (or the relevant part of your SIPP).

6.4 Where a person is appointed as an investment manager, the duties and rights of the investment manager are carried out or exercised by the investment manager as our delegate and on our behalf. Subject to the agreement between us and the investment manager, we may terminate those delegations and delegate the investment management of your Freedom SIPP (or

relevant part of your SIPP) or other duties as applicable to another person. If we do this, we will tell you in writing.

6.5 If you do not appoint an investment manager that offers a nominee service for the safe custody of the investments, then when making investments (including transferring investments into your SIPP), we will appoint a direct execution-only dealing and nominee service as the investment manager. This could be any number of third party providers which we have assessed as being most suitable to you and includes the Embark platform Third Party Investment Account. The fees and charges applicable to these service providers are available on request

6.6 We are not liable for any loss caused by the investment manager, his nominee, banker or custodian or anyone else providing related services.

6.7 We will not act as investment manager for your Freedom SIPP or give investment advice.

7. Investments

7.1 You may give instructions to us (or any relevant investment manager appointed at your request in accordance with these terms) to acquire investments for your SIPP.

This is subject to:

- 7.1.1** the minimum amount, if any, of any qualifying investment requested;
 - 7.1.2** the retention by your Freedom SIPP of the minimum cash balance on the Freedom SIPP account as may be specified by us;
 - 7.1.3** the appointment of an investment manager where required;
 - 7.1.4** the completion by you of additional documentation if requested by us, for example, if you wish to purchase a property;
 - 7.1.5** the legislation applicable to registered pension schemes;
 - 7.1.6** all other relevant statutory provisions;
- 7.2** We or any investment manager will be entitled not to acquire an investment in accordance with your instructions if:
- 7.2.1** we have not received from you original signed written instructions; or
 - 7.2.2** insufficient cleared funds are available in relation to your Freedom SIPP; or
 - 7.2.3** the amount to be invested would be less than any minimum investment size determined by us from time to time; or

7.2.4 in our reasonable opinion, the carrying out of the instruction is impossible, unlawful or impracticable; or

7.2.5 we have given you notice to transfer your Freedom SIPP to another pension scheme in accordance with these terms and in our reasonable opinion it is not practicable to complete the acquisition of the investment before the date on which your Freedom SIPP must be transferred or the investment is illiquid; or

7.2.6 in our reasonable opinion, the acquisition of such an investment may impose tax or other costs on us or expose us to liabilities which in each case we may not be able to meet from your SIPP; or

7.2.7 in our opinion, acquiring any investments may require us to offer to purchase further shares pursuant to the City Code on Takeovers and Mergers or any other code or legislation, or any further assets.

7.3 We will tell you if we do not acquire an investment in accordance with this clause.

7.4 If you instruct us to, we (or any relevant investment manager) will sell or encash some or all of the investments of your Freedom SIPP and apply the proceeds of sale or encashment, less any appropriate charge (and the expenses of sale), in the acquisition of further investments in accordance with your instructions. Any such reinvestment is subject to these terms. Pending reinvestment, any cash proceeds received by us will be credited to your Freedom SIPP account.

7.5 We or any investment manager will be entitled not to dispose of an investment in accordance with your instructions if:

7.5.1 we have not received from you original signed written instructions; or

7.5.2 in our reasonable opinion, the disposal of the investment is impossible unlawful impracticable or contrary to the terms of any agreement to which we are a party.

7.6 We will tell you if we do not dispose of an investment in accordance with this clause.

7.7 We (or any relevant investment manager) will use all reasonable endeavours to execute any instructions we receive in accordance with these terms and conditions from you promptly. This is not always possible, so provided neither we nor the investment manager acts unreasonably, then neither we nor the investment manager will be liable for any loss or profit forgone between the time an investment instruction was received and when it was executed.

8. Custody of Investments

8.1 You choose what to invest in subject to these terms as amended from time to time, provided that the investments are in accordance with the legislation governing the investments of registered pension schemes or any other relevant statutory provision. The permitted investments broadly comprise:

8.1.1 stocks and shares quoted on the UK Stock Exchange including securities traded on the Alternative Investment Market (AIM) but not OFEX

8.1.2 stocks and shares traded on an overseas stock exchange being one recognized by the Inland Revenue

8.1.3 unit trusts and investment trusts (including OEICS)

8.1.4 deposit accounts, and

8.1.5 commercial property and farmland

8.2 All investments are held by us in our nominee name, Avalon SIPP Trustees Limited. The Trustee is the legal owner of all cash and assets within the Scheme. The Trust is arranged for the benefit of the Member as specified by the Rules. All allocations of investments to your Freedom SIPP are notional only and neither you nor any other person who may be entitled to benefit under your Freedom SIPP will acquire any legal or beneficial interests in those investments.

8.3 We or any investment manager will be entitled to dispose of any investment without consultation with you if, in our reasonable opinion:

8.3.1 continued retention of such investment would be unlawful or would impose tax or other costs on us or expose us to liabilities which in each case we may not be able to meet from your Freedom SIPP; or

8.3.2 we need to dispose of that investment to meet any fees or charges payable from your Freedom SIPP which we may otherwise not be able to meet from your SIPP; or

8.3.3 that investment is no longer an allowable investment as listed in 8.1 above; or

8.3.4 disposal of the investment is required by the terms of any agreement to which we are a party.

8.4 We will tell you if we dispose of an investment in accordance with this clause.

8.5 We will make arrangements for the custody of any investments that are not held by an investment manager.

8.6 If you have not asked us to appoint an investment manager and have given us no

instructions as to the investment or application of the whole or part of any monies held in your SIPP or if any instructions cannot be implemented, or pending implementation of any instructions, the relevant monies will be held in your Freedom SIPP account and will attract interest at the prevailing interest rate received from the bank in which your cash is held.

8.7 We will not exercise voting rights in respect of any investment unless you ask us to, however we are not under any obligation to vote in accordance with your wishes. We will not appoint a proxy in respect of any investments in your SIPP.

8.8 We will not be responsible for any loss (including loss of profit) in relation to, or diminution in value of, any investment:

8.8.1 acquired by us (or any investment manager) at your request unless such loss or diminution results from our fraud, wilful misconduct, negligence or breach of regulatory duty, or the fraud, wilful misconduct, negligence or breach of regulatory duty of any of our employees or agents; or

8.8.2 not acquired by us or not disposed of by us in accordance with our rights under these terms; or

8.8.3 disposed of by us in accordance with these terms unless such loss or diminution results from our fraud, wilful misconduct, negligence or breach of regulatory duty, or the fraud, wilful misconduct, negligence or breach of regulatory duty of any of our employees or agents; or

8.8.4 which results from any action or omission of any nature whatsoever by any investment manager or by any nominee, banker, custodian or other person providing services to any investment manager.

8.9 Notwithstanding our entitlement not to acquire or dispose of an investment as requested by you or to dispose of an investment without consultation, neither we nor any investment manager will be under any duty to consider, or advise on, the general or specific merits or suitability of any actual or proposed investment or disposal.

8.10 We reserve the right to amend the types of investments and the minimum amount of any investment at any time. Where possible, however, we will only do this after giving you three months' notice.

9. Switching of Investments

9.1 Fund switch requests must be made in a form that is acceptable to Avalon, confirming you have read and understood the appropriate Key Investor Information Document(s) for the new investments requested. Avalon will sell or encash some or all of the investments notionally allocated to an Account holders fund and apply the proceeds of sale or encashment, less the appropriate charge (if applicable) and the expenses of sale, in the acquisition of further investments in accordance with the Account holders instructions. However, any such variation is subject to any restrictions on the minimum amount of reinvestment as Avalon may specify from time to time.

9.2 The company reserves the right, in circumstances which in its absolute discretion it considers exceptional, to defer such a sale or encashment:

9.2.1 up to 12 months in any case where the transaction involves the cancellation of units in a fund which holds assets in the form of real property, either directly or indirectly, or whose price is related to the value of real property;

9.2.2 until the relevant investment is sold, in any case where such investment consists of commercial property or an interest in commercial property; and

9.2.3 for up to one month in other cases

9.3 Avalon reserves the right to charge the account holder for fund switches of this nature where the number of transactions (where one transaction is a sale and another is a purchase) exceeds twenty in any one plan year. This charge will be reviewed by Avalon from time to time.

10. Investments in property

10.1 If you wish us to purchase property (including land or any permitted interest in land) for your Freedom SIPP, we may appoint solicitors and/or surveyors chosen by you also to act for us if we are satisfied that there is no conflict of interest and that it is otherwise appropriate. Their fees, including applicable VAT, together with Stamp Duty Land Tax and disbursements will be payable from your SIPP.

10.2 We reserve the right, if we consider it appropriate, to appoint a surveyor or equivalent person (a property manager) to manage any property acquired by us for your Freedom SIPP as landlord. The property manager's fees, including applicable VAT, will be payable from your Freedom SIPP.

10.3 We will make arrangements for the custody of title deeds if these are not held by the solicitors or any lender acting on any purchase of property for your Freedom SIPP. We will also make arrangements for insuring property held in your SIPP. The insurance premiums payable for such insurance will be payable from your Freedom SIPP.

10.4 You agree to indemnify us and to keep us indemnified against all claims, losses and liabilities of any nature (including environmental claims, losses and liabilities) arising out of property held in your Freedom SIPP. Without prejudice to the generality of this condition, if in our reasonable opinion our continued holding of any property in your Freedom SIPP may expose us to any such claims, losses or liabilities which we may not be able to meet from your SIPP, we may at any time, if we so choose, require you to buy that property from us at fair market value or £1, whichever is the greater. You must do all things and execute all documents that we may reasonably require to give effect to our rights under this term.

11. Borrowing

11.1 Where the amount available in your Freedom SIPP account is insufficient to purchase a property or other investment it may be possible to raise a secured loan to assist with the property or investment purchase. The borrowing must be arranged in our name and on terms satisfactory to us but we will not take responsibility for arranging a lender.

11.2 Your Freedom SIPP account may be overdrawn only with our and the bank's prior agreement. We and the bank may agree to an overdraft, for example, to meet any charges, costs or liabilities that we are entitled to charge to your Freedom SIPP or to pay unsecured income or alternatively secured benefits to you pending our receipt of sale proceeds for, or income from, an investment. Borrowing will not generally be permitted to pay benefits due under these terms and conditions.

11.3 Any overdrawn Account will incur interest payable to Avalon for the duration that the account is overdrawn. See 4.4.

11.4 If we agree to an overdraft, we or the bank may require it to be repaid or reduced by written notice at any time. All interest charged by Avalon in respect of any overdrawn balance will be a liability of your SIPP. If your Freedom SIPP Account becomes overdrawn without our or the bank's prior agreement, for example because a cheque paid into your SIPP account does not clear, we may charge

a higher rate of interest.

11.5 Any borrowing must be in accordance with legislation, within limits imposed by applicable law and as agreed by us.

12. Fees, charges and expenses

12.1 The fees and charges payable to us (and/or the Account holders financial representatives), and the timing of these fees in respect of your Freedom SIPP and the circumstances in which they may be increased are set out in the schedule of fees and charges as amended from time to time.

12.2 We will also be entitled to charge the following costs to your SIPP:

12.2.1 all expenses incurred by us (including claims, losses and liabilities) in acquiring, holding, disposing of or valuing any investment or other asset of your SIPP;

12.2.2 all fees, charges, disbursements and other costs charged by any investment manager, nominee, banker, custodian, anyone else providing related services or agent (including any financial adviser) appointed in relation to your Freedom SIPP or any part of your SIPP;

12.2.3 all taxes, duties or levies to which we become liable as a result of acquiring, holding or disposing of any investment or other asset allocated to your SIPP; and

12.2.4 an amount equal to any tax for which we become (or reasonably expect to become) liable in respect of your Freedom SIPP if your Freedom SIPP does not constitute or ceases to constitute pension business as defined in Section 431B of the Income and Corporation Taxes Act 1988 (ICTA).

12.3 We may reimburse ourselves in respect of the liability, charges or costs by way of making a charge to your Freedom SIPP as we may reasonably determine which we have incurred as a result of one of the following events occurring:

12.3.1 we become liable to pay any levies in relation to the Financial Services Compensation Scheme; or

12.3.2 we become liable to pay any tax or levies imposed on your Freedom SIPP or on any contribution paid by you; or

12.3.3 we become liable to make any other payment to the UK Government or any governmental agency or self regulatory organisation of which we are (or become) a member, to the extent directly or indirectly attributable to your Freedom SIPP.

12.4 This term will not apply to the extent that the relevant event is attributable, directly or indirectly, to any fraud, negligence, wilful default or regulatory breach on our part.

12.5 All charges, costs and liabilities which we are entitled to charge to your Freedom SIPP will be paid by us from your Freedom SIPP account. If at any time the credit balance on your Freedom SIPP account is not enough to cover all such charges, costs and liabilities in full, we may require you to pay an additional contribution and/or to dispose of investments so that all amounts due can be paid. If you do not comply with these requirements, we may:

12.5.1 overdraw your Freedom SIPP account (in which case 11.3 will apply) and/or dispose of investments at our discretion and without liability in order to pay the amounts due; or

12.5.2 require you to pay us the amounts due

12.6 If for any reason the value of your investments is insufficient to meet any such fees, charges, expenses, tax or scheme sanction charges payable or tax refunds due, you agree to pay to us on demand the amount of any such shortfall.

12.7 We will continue to be entitled to our charges and to recover all costs and liabilities as referred to in the above terms until all the assets of your SIPP, including the balance on your Freedom SIPP account, have been transferred out of your Freedom SIPP in accordance with these terms.

13. Transfers out and payment of benefits

13.1 You can require us by written notice to transfer the assets of your Avalon SIPP to another provider at any time, subject to applicable legislation and HMRC rules. This will be done as soon as reasonably practicable and will incur Avalon's prevailing transfer out charge (which may be reviewed from time to time)

13.2 Your SIPP will also be liable for the following costs, charges and liabilities associated with the transfer out:

13.2.1 our and other parties' investment transaction and property fees on the sale or transfer of assets; and

13.2.2 investment manager or nominee charges on the transfer of ownership of assets (where assets themselves are transferred 'in specie'); and

13.2.3 our and other parties' property fees for any transfer of ownership of property (for in specie transfers).

13.3 If we agree, we may transfer assets out of your SIPP:

13.3.1 to you in payment of benefits under your SIPP; or

13.3.2 to another pension scheme that is a registered scheme within the meaning of Section 153 of the Finance Act 2004 or which under that section is treated as a registered scheme; or

13.3.3 to the person entitled after your death; or

13.3.4 in accordance with any Court order.

13.4 We will obtain a true market value of your SIPP in the following circumstances:

a) you commence capped or flexible drawdown

b) you elect to exercise your open market option and purchase a lifetime annuity

c) you die before age 75

d) you reach age 75

e) you ask us to make a transfer to a Qualifying Recognised Overseas Pension Scheme; or

f) we need to, or you request us to carry out an income limit review under capped drawdown.

This will require Avalon to fully reconcile your SIPP and obtain current values for the investments including property held. For property and for certain unquoted investments, this means that a suitable qualified valuer will need to be appointed to provide a current valuation.

13.5 We will not pay benefits, purchase a lifetime annuity or make a transfer in accordance with these terms and the trust deed and rules unless:

a) we have a signed instruction from you or the appropriate person to make the relevant payment or transfer

b) we have received all required documentation and information from you, or the appropriate person, that we in our reasonable opinion believe is necessary

c) we have received all charges due to us; and

d) all costs chargeable to your SIPP and all liabilities of your SIPP (including all costs arising in relation to any benefit payment, transfer for the purchase of a lifetime annuity purchase or transfer out) have been satisfied.

13.6 If you wish to draw benefits or transfer out in cash or to purchase a lifetime annuity,

there must be sufficient cash in your SIPP.

If investments have to be sold to raise the required cash this may take time. Most asset classes can be sold quickly but property and some investment funds are illiquid and may take some considerable time to realise.

13.7 Where the trustee is unable to realise the value or transfer all or any of the investments of your SIPP, or is unable to do so on what we consider to be reasonable terms, we may in our absolute discretion defer the payment of benefits or transfer out requested under these terms until the trustee is able to realise the relevant investments and has received the cleared funds.

13.8 Where the trustee has been unable to realise an investment, we may, if we so choose:

a) direct the trustee to transfer that investment to you in part of or full satisfaction of any payment of benefits under your SIPP; or

b) require you to buy the asset from the trustee at fair market value or £1, whichever is the greater.

13.9 After satisfaction of all liabilities of your SIPP and transfer of all assets out of your SIPP or payment of all benefits under your SIPP, we will close your SIPP and you will cease to be a member of the scheme.

14. Pension Benefits

14.1 You may normally choose to crystallise some or all of your SIPP at any time on or after the Minimum Pension Age. An Application to take benefits must be made using the relevant Avalon form and be submitted with supporting evidence of age.

14.2 If you choose to take pension benefits from your Account then you should seek financial advice. If you do not wish to do this then we will accept authorised instructions from you directly but may require further attestations or declarations to ensure that you have understood the potential risks.

14.3 You may be able to crystallise your SIPP before the Minimum Pension Age if:

i) we are satisfied that you are and will continue to be incapable of carrying on your current occupation due to physical or mental impairment. You will have to provide evidence that we require; or

ii) you had transitional rights at April 2006 to a protected pension age under Schedule 36 of the Finance Act 2004 and you satisfy the conditions.

14.4 When you crystallise part or all of your Account to draw benefits you can normally

choose to take up to 25% of the amount crystallised (subject to the lifetime allowance) as a pension commencement lump sum without incurring a tax charge. A higher or lower amount may be available if you had transitional rights at 6 April 2006 under schedule 36 of the Finance Act 2004 and you satisfy the conditions.

14.5 If the value of the benefits crystallised exceeds your personal lifetime allowance there may be a tax charge on the excess that we are obliged to deduct from any payment and remit to HMRC.

14.6 The remainder of the amount crystallised after the payment of any pension commencement lump sum, any lifetime allowance excess lump sum and any lifetime allowance charge will be allocated to provide a pension income for you in the form of:

i) Flexi-access Drawdown

ii) a Lifetime Annuity bought from an insurance company of your choosing; or

iii) a combination of the above; or

iv) a small funds lump sum. Alternatively you may choose to access your pension benefits as an Uncrystallised Funds Pension Lump Sum (UFPLS).

14.7 If you choose to take Flexi-Access Drawdown then:

i) You can request regular or ad hoc payments of income directly from your pension. There is no maximum or minimum limit on how much you can withdraw each year, however, you are obliged to maintain a minimum amount in your Account, which will be reviewed by Avalon on an annual basis, if you wish for it to remain open

ii) If you request a regular income, we will pay your drawdown pension monthly net of all relevant taxes. We will make the payments by direct credit to your personal bank account. We will stop payments when you die.

iii) You can ask us to increase, reduce, stop or restart payments or make one off payments from time to time. If you wish to change the level of your payment you must ask us at least 10 Business Days before the payment date.

iv) You must ensure that sufficient cleared funds are held in your SIPP account 10 business days before the payment date or we will not make the payment.

v) The day after we first make a payment of income to you from your Flexi-access Drawdown fund you will become subject to a reduced annual allowance, known as the

Money Purchase Annual Allowance Rules (MPAAR) for the remainder of your lifetime. We will notify you this has occurred and the effective date. It is your responsibility to inform any other pension schemes of which you are a member and to ensure that your contributions to all pension schemes (including the Avalon Freedom SIPP) remain within the permitted maximums.

vi) You can choose to buy a lifetime annuity at any time with part of, or, the entire drawdown pension fund. You can also transfer your Flexi-access drawdown fund to another provider.

14.8 If you choose to buy a lifetime annuity you must select the features you require from the relevant annuity provider. Avalon does not offer annuities. To facilitate your request we will transfer your pension fund in cash to your chosen annuity provider and cease to have responsibility for those benefits.

14.9 If you wish to draw benefits or transfer out in cash, there must be sufficient cash in your Account. Most asset classes can be sold quickly but some investment funds are illiquid and may take some considerable time to realise.

14.10 If you choose to take an Uncrystallised Funds Pension Lump Sum (UFPLS) then:

i) You can take a single lump sum directly from your Uncrystallised Fund. 25% of the lump sum will be tax free with the remainder subject to Pay as You Earn tax at your marginal rate.

ii) There is no maximum or minimum limit on the amount of the lump sum, however, you are obliged to maintain a minimum amount in your Account, which will be reviewed by Avalon on an annual basis, if you wish for it to remain open.

iii) There is no limit on the number of UFPLS' that you can withdraw from your Avalon Freedom SIPP, however, Avalon will impose a charge of £50 (+VAT) for each request of this type received.

iv) We will pay your UFPLS net of all relevant taxes by direct credit to your personal bank account.

v) You must ensure that sufficient funds are held in your SIPP account 10 business days before the payment date or we will not make the payment.

vi) The day after we first make an UFPLS payment to you, you will become subject to a reduced annual allowance, known as the Money Purchase Annual Allowance Rules (MPAAR) for the remainder of your lifetime. We will notify you when this has occurred and

the effective date. It is your responsibility to inform any other pension schemes of which you are a member and to ensure that your contributions to all pension schemes, including the Avalon SIPP, remain within the permitted maximums.

14.11 A tax charge may arise as a result of taking a pension commencement lump sum if you have recycled the lump sum in whole or in part. Recycling will arise if

i) the amount of contributions from all sources paid to all registered pension schemes in respect of you is greater than 30% more than might have been expected based on previous contributions; and

ii) the pension commencement lump sum plus any similar lump sums from any registered pension scheme taken in the previous 12 months exceeds £7,500; and

iii) the cumulative amount of the additional contributions exceeds 30% of the pension commencement lump sum; and

iv) the recycling was pre-planned.

This is not a full definition. Full details are in schedule 29 of the Finance Act 2004. Please contact a suitable adviser, if you require more details.

14.12 Should a tax charge arise you agree that such tax shall either be paid from your Account or paid by you personally as the case may be.

14.13 Should you satisfy the conditions required for payment of a Serious Ill Health Lump Sum as defined in Paragraph 4 of Schedule 29 of the Finance Act 2004, then you may request payment of the lump sum permitted in these circumstances. If sufficient cash is not available in your Account then you may instruct us to disinvest your SIPP assets in full in order to facilitate the payment

14.14 If we receive notification of your death we will request confirmation by way of sight of the original death certificate. Upon confirmation of your death we will sell or otherwise realise your SIPP assets and hold your fund as cash whilst the Trustees decide whom the beneficiaries of your pension should be.

14.15 In the event of your death the trustees retain their absolute discretion to pay any individual or individuals in the proportions that they see fit following deduction of all fees, taxes and charges due at the time of payment. Any nomination made by you will be considered but is not binding and may not be followed.

14.16 Upon your death benefits may be paid as

i) A Lump sum as defined in the Finance Act 2004; or

ii) Flexi-access Dependant's Drawdown; or

iii) Transfer out; or

iv) Any combination of the above.

14.17 After satisfaction of all liabilities of your SIPP and payment of all benefits under your Account, we will close your Account and you will cease to be a member of the Scheme.

14.18 If an individual dies whilst in receipt of benefits bequeathed to them as a result of your death, then those benefits will be distributed to a successor nominated by them or chosen by the scheme trustees based on the individuals personal circumstances.
